June 30th Concert Change: Super Huey will be replaced by *The Heart of Rock & Roll* – another talented Huey Lewis & the News Tribute Band!

Due to unforeseen medical issues, Super Huey will not be able to play at our June 30th ETC concert. We have found a highly recommended replacement with **The Heart of Rock & Roll**. ETC will accept your already purchased Super Huey tickets for any concert this season if you choose not to attend. But we think you will love this performance....

And, 2018 marks the 6th year for this award winning Southern California based tribute to one of America's truly great rock & roll bands, Huey Lewis & The News. With a front man who bears an uncanny likeness as well as a sound and style that has fooled more than a few fans, **The Heart of Rock & Roll**

is a non-stop ride through some of the biggest hits of the 80s in a colorful and exciting concert experience that teleports you Back in Time to when Huey & the boys dominated not only the charts but also the world of music video. With thousands of YouTube views and a strong social media following, The Heart of Rock & Roll has firmly established itself as one of the most accurate and entertaining nationally performing tribute acts. Join us at the Lake Clementia Amphitheater - the **Heart of Rock & Roll** is still beating!
