Murieta Market by Raley's will serve Rancho Murieta Residents Temporarily

Interim location will operate prior to Bel Air Market Opening in October, 2017

Raley's is scheduled to open 'Murieta Market' in Murieta Plaza, no later than January 2017. After announcing the construction of a new Bel Air Market in May, Raley's officials recognized the need for a temporary market to serve the community.

"Raley's is committed to serving the Rancho Murieta community, both in the short and long-term," said Keith Knopf, Chief Operating Officer.

The temporary 'Murieta Market' will be half the size of a traditional full-service Raley's store. The 17,000 square foot market will include produce, meat, deli items and some prepared offerings. The inclusion of a wine, beer and liquor department will be subject to license approval at a later date.

Raley's strives to hire locally; for those interested in potential employment, please check www.raleys.com/careers.

Raley's recently announced their newest location at the intersection of Murieta Parkway and Jackson Highway will be a Bel Air Market. In partnership with Rancho Murieta Properties, the new Bel Air Market will be a full-service grocery store and is set to open in October, 2017.

The market was developed in partnership with Paul Frank and Joe Kovalik.
